

Aunt Grace's Tuna Peppers

INGREDIENTS

5 - 6oz Can or Package Tuna

1/4 Cup Italian Style Breadcrumbs

2-4 TBS Olive Oil

20-30 Mild Whole Peppadew Peppers (or Tennessee Cheese Peppers)

INSTRUCTIONS

- Check peppers and remove any stray seeds if necessary.
- In a medium bowl, combine tuna and breadcrumbs, breaking up any chunks of tuna with fingers. Drizzle with 1-2 TBS of olive oil and continue to mix with the hands. The mixture should stick together when pressed. If it falls apart, add more oil until the correct texture is achieved.
- Stuff about 2 tsp of mixture into each pepper and place upright in a sealable container.
- After all of the peppers have been stuffed, drizzle another 1-2 TBS of oil over them.
